To Whom It May Concern:

It is with great pleasure that I acquiesce to the request for a letter of recommendation for Ms. Amber Lawson. Ms. Lawson was extremely passionate about her service to the children at Gompers Elementary Middle School. Her calm demeanor and pervasive strength were felt throughout the entire building.

Amber served as the Student Intern for one of our first grade classes. Along with performing her duties with unbridled integrity, Ms. Lawson also served as a mentor to some of our Middle School students. Additionally, she served as Lead Intern on the school leadership team where she met weekly with administration to voice the experiences and concerns of the student interns throughout the building.

Amber Lawson is an outstanding educator that has a heart for service. Throughout my twenty three years in education, I have rarely come across a young lady that personifies perseverance, integrity, and dedication like Ms. Lawson. I believe that she is not only an excellent candidate for graduate school, but that she will be an asset to your program. It is with great pleasure that I write this letter of recommendation. If you have any questions or concerns please feel free to contact me by email at Robert.walker02@detroitk12.org or via cell at 313-610-8963.

Educationally yours,

Robert A. Walker

Assistant Principal

Gompers Elementary Middle School
