To Whom It May Concern:

It is with great pleasure that I recommend Ms. Amber Lawson. I am a first grade teacher at Chrysler Elementary School in Detroit Public Schools and I have known Ms. Lawson for two years. Amber was my intern from January to April 2013 at Gompers Elementary Middle School.

Ms. Lawson has outstanding interpersonal skills. During Amber's internship she was extremely motivated, enthusiastic, and professional. Ms. Lawson always displays a high degree of integrity, responsibility, and a willingness to help. She accepted constructive criticism with maturity and applied suggestions as a learning opportunity. She has an excellent rapport with the staff, students, and their families. Amber works well with colleagues and administration and is able to learn from those around her.

Ms. Lawson taught with fairness, equality and respected the diversity of all students. The children bonded with her and respected her as their teacher and friend. Amber established an excellent behavior modification program. It is a fair and equitable program that helped the children become more socially responsible. Ms. Lawson was proactive and positive in her approach to children. Amber has a natural talent for successfully teaching and differentiating the curriculum to meet the needs of a diversified group of students. She uses formal and informal assessment methods and observations to assess the needs and learning styles of individual children.

Ms. Lawson displays the qualities that make a teacher successful. She is dependable, motivated, and is in tune with the needs of her students. Amber is creative, conscientious, professional, and hard-working. I highly recommend Ms. Amber Lawson. She would be an asset to any school.

Sincerely,
